After that, any late payment during the next six billing cycles will result in a late fee of up to \$38.00. No late fee will be more than your Total Minimum Payment due.

Other Fees: The Statement Copy Fee is **\$5** with a **\$100** maximum per occurrence. The Customer Requested Expedited Service Fee is **\$25**.

Variable Rate Information: The Prime Rate used to determine your APR is a variable rate and is the highest prime rate published in the "Money Rates" section of the U.S. edition of The Wall Street Journal as of the first day of the month in which your billing cycle ends. If the Prime Rate changes, Bank will apply the new Prime Rate starting on the first day of the billing cycle in which the change occurs and will apply the new APR to both existing balances and any new transactions made during that billing cycle. The APR will equal the Prime Rate plus your applicable margin. A margin is the percentage points that we add to the Prime Rate to calculate the APR. For each of your billing cycles, the Bank will use the Prime Rate that is published on the first day of the month in which your billing cycle ends in order to calculate your APR for that billing cycle. In the event the Prime Rate is not published on the first day of the month in which your billing cycle ends, the Prime Rate published most recently prior to that date will be the effective Prime Rate. An increase or decrease in the Prime Rate will cause a corresponding increase or decrease in your variable APRs, interest that you pay and your minimum payment due amount. If the Prime Rate is no longer published or is not available, Bank, at their sole discretion, may substitute a similar index. The Prime Rate is currently 4.50% as of February 26, 2018; however, the Prime Rate is subject to change. To obtain current information about changes to the Prime Rate, contact your local BB&T branch office or write: Branch Banking and Trust Company, PO Box 698, Wilson, NC 27894-0698, or call 1-800-476-4228.
